Edgewood Plus

The Edgewood Plus program provides the above amenities along with additional supervision, assistance, and a higher staff to resident ratio. The transition to Edgewood Plus is necessary if a resident requires or has:

- Individualized restroom schedule
- Complex care needs (frequent nursing supervision)
- Hospice
- Frequent falls

Service Packages

To simplify pricing structures, we offer three service level packages. Services may include, but are not limited to medication management, assistance with dressing, bathing and grooming, assistance monitoring blood pressure, blood sugar, weight, and other daily vitals, and assistance getting to and from meals. Services are grouped based on number and type of services needed and/or acuity. The type of service level package is determined with a RN (or designee as determined per state regulations) who completes a total resident evaluation.
